

SIRIUS 2018

ACHIEVEMENTS

15 ROUND TABLES

Mobilised and convened the major educational stakeholders in 16 EU countries to debate policy priorities and reform opportunities specific of the regional, national and sub-national level

PEER LEARNING

2

Created and promoted knowledge transfer by identifying good practice and providing multi-stakeholder international feedback, thus stimulating further innovation both in the host and learning countries

1 WATCH ANALYSIS

Monitored and supported the development and effective implementation of inclusive education policies across the EU at different governance levels in the area of formal and non-formal education cooperation

EU CONFERENCE

1

Promoted exchange and collaboration among partners and relevant actors beyond the network, disseminated SIRIUS findings to a broad range of education stakeholders and fostered cross-fertilisation
